

WEATHER INFORMATION

I'm sure many of you would like to know what we have planned in regards to school closures and delays. Please follow the instructions below to stay in touch with any changes that may have to be made due to inclement weather.

1. Listen to the following radio station:

WJSA (96.3 FM) or (1600 AM) WQBR (99.9 FM)

WILQ (105.1 FM)

WGRC (90.7 FM)

2. Watch the following TV station: WNEP TV (16)

WYOUTV (22) WBRE TV (28)

3. When there is a 2 hour delay, kindergarten and pre-k will begin at 10:00am and will be dismissed at regular noon dismissal. **If there is a 3 hour delay:**

- *½ day prek and kindergarten students, there is no instructional time, please do not come*
- *Full day prek and kindergarten students may come at 11:00 for their aftercare time*

4. If roads are hazardous in your area, **please make your own decision** as to whether you want to chance bringing your child. (It could be fine here and snowing in Brookside or Loganton.) Students will definitely be excused due to bad weather conditions.
5. Due to the fact that we are dealing with several school districts please note that we will be dealing primarily with Jersey Shore School District. It may be possible that Keystone Central School District would cancel school, but we would still have school. **If Keystone Central cancels school due to inclement weather, then there will be no bus service for our Keystone Central bus students.** Use your best judgment as you consider the roads in your own area, whether it would be possible for you to bring them yourself.
6. **If bad weather is forecasted to start during the day, please try to stay tuned in to one of the radio/TV stations listed above. We will endeavor to contact all elementary parents before we put the students on the bus.**
